P V D III Re: Enemy Firms and Property. 5 Notifications (placed below) have been issued by this Govt so far.

The Resident suggests action against item 6 (b) 1 & 2 in the Statement.

Item 6 (b) 1 is the Notification ordering that all enemy property in Br. India immoveable or immoveable belonging to or held by or managed on behalf of, any enemy subject either -

(a) as defined in sub clause (a) of clause (1) of Rule 103 of the said rules, who is not for the time being in India or

(b) as defined in sub clause (b) of the said clause, when the property is not under the control of an India Branch of the body of persons for the time being carrying on business in India

shall vest in the Custodian of Enemy Property for British India.

This is the notification (in P.V.D II) of 2nd Nov 1939. A similar notification might be issued by us. G

The Resident suggests the issue of a similar notification if there is any property of the kind described in the notification in the State

Submd with a draft reply to the Residency with refce to PVD III.

Ref. Item 6 (b) 2, since there are no branches in Mysore, a similar notification is perhaps unnecessary.

Refce to item 6 (b) (1) the Residency has stated in the statement that it is suggested that this Govt should issue a similar notification if there is any property of the kinds described in the Notification in the State. The property may be of 2 kinds

(1) Property of an enemy individual who is not for the time being in India

(2) When the property is not under the control of an Indian Branch of the body of persons for the time being carrying on business in India.

In the above cases, the property shall vest in the Custodian of Enemy Property. If there is no such property in Mysore, then a notification or similar thing may be unnecessary. Subd with a draft for orders.

Only recently in the Mysore Gazette, the Gazette of India Notifications were published. The Govt. of India are issuing a no. of amendments. The present amendments are rather voluminous. It is for consideration whether these need be republished in the Mysore Gazette. The persons who may be interested in the matter in the State may be not be large and as such it is for consideration whether it is worth while republishing these notifications in future.

RS 4/7

Republication of all these notifications in the Mysore Gazette does not seem to be necessary (unless any of them is of special interest).

The Law Dept. also may be consulted.

It is essential to have all the notifications to be published in the Gazette, as the Public must be in the know of these things. It is difficult to say which item is of special interest & which not. I therefore submit that the notifications, which affect public interest, should be published in the Gazette.

The enemy trading provisions of the Defence of India Rules will apply if trading is carried on with any area which is in the occupation of a Power with which His Majesty is at War. At the present time Denmark is in German occupation, and commercial, financial, or other intercourse with persons or concerns in Denmark is prohibited. This prohibition, however, does not apply to Iceland or to the Danish dependencies of Greenland and Embroilment Island, so long as business with them does not involve intercourse with Denmark proper.

The greatest caution should also be exercised in regard to transactions with any part of Norway. No commitments should be entered into with persons or concerns in any part of Norway without previous consultation with the Commerce Department of the Government of India.
